01 PROFILE

I build the commercial relationships and market presence that turn *emerging products* into businesses.

Across crypto, fintech, media and creator-led brands, I have developed LATAM partner ecosystems, negotiated KOL and introducing-broker agreements, led cross-functional teams and executed market activations. My work combines commercial partnerships with the communications and community execution needed to turn attention into adoption. Native in Portuguese, Spanish, English and Italian.

02 SELECTED IMPACT

~US$400M
Monthly team trading volume contributed to by KOL, trader and IB networks

US$400K+
Raised by an NFT collection that sold out in under 10 minutes

700+
Sign-ups from a Blockchain Rio booth activation

150+
X Spaces hosted for 5+ companies, up to 1,000+ live listeners

03 EXPERTISE

Strategic Partnerships & BD / LATAM Market Entry & Expansion / KOL, Creator & IB Ecosystems / Go-to-Market Execution / Commercial Negotiation & Revenue-Share Models / Growth Strategy / Cross-Functional Leadership / Community & Reputation Management / Events & Brand Activations / B2B Communications

04 EXPERIENCE

Head of Socials · Ultima Markets — PRESENT

Social media and communications strategy for a global financial services brand, focused on Brazil and LATAM.

- Own channel strategy, content direction and communications execution across the brand's social ecosystem.
- Translate product and market priorities into locally relevant messaging and community initiatives, including hosted X Spaces in Portuguese and Spanish.

Head of Growth, LATAM · KuCoin — 2026

Regional growth and user acquisition across Portuguese- and Spanish-speaking Latin America for a global crypto exchange.

- Sourced and closed high-impact KOL and introducing-broker partnerships alongside BD. Partner networks built across KuCoin and Gate contributed to **~US$400M in monthly team trading volume**.
- Led cross-functional execution across BD, support and communications; ran weekly AMAs and X Spaces with **800+ live participants**.
- Managed loyalty initiatives, weekly rewards and paid-social experiments; oversaw 20+ localized posts a day across Telegram, X and Instagram; on site for KuCoin's Tomorrowland Winter activation.

Head of Communications, LATAM · Gate — JAN 2025 – DEC 2025

Portuguese- and Spanish-language communications and community operations for a global crypto exchange.

- Rebuilt and ran regional Telegram, Instagram and X channels, overseeing **80+ localized posts a day**.
- Created a Red Bull Racing paddock experience at the São Paulo Grand Prix with leading Brazilian creators; developed activations for Blockchain Rio and Crypto:Day.
- Designed a Blockchain Rio booth that generated **700+ sign-ups**; hosted weekly KOL AMAs with 500+ participants; represented Gate in an on-camera CNBC interview.
- Managed paid-social budgets and tested creative and KOL campaign performance.

LATAM Market Entry Advisor · Callark & Inbitix — 2025 – 2026

Advised a prediction-markets platform and a crypto exchange on entering and developing Latin America.

- Supported Callark's LATAM launch: platform feedback, introductions to legal advisors across South America, and KOLs who drove initial volume.
- Advised Inbitix on its Brazil exchange setup, early LATAM expansion and regional communications.

Head of Socials · Firmograph 2024 – 2025

LinkedIn-first B2B content strategy for an AI revenue-intelligence product serving CRO and RevOps audiences.

- Built the company's LinkedIn presence from **0 to 2,000 followers in under three months**.

Head of Socials · =nil; Foundation 2024

Communications for an Ethereum infrastructure project across X, LinkedIn, Telegram, Discord, Farcaster and Slack.

- Added **2,000 organic followers in four months** with **5%+ engagement** on X; built communications plans for EthCC and ETHDenver.
- Worked with developers and leadership on technical content; supported testnet communications, community programs and reporting.

Head of Socials · Kilonova 2024

Social and communications delivery for multiple Web3 clients at a 360° agency.

- Supported Glint Analytics' token launch and its second-place finish at a Dubai hackathon; delivered community campaigns and live activations.

05 FOUNDER

Co-Founder & Head of Growth · BrightLeaf Laboratories 2021 – 2024

Cardano-based 3D NFT collection of guardians, part machine and part plant, created to protect the Brazilian rainforest and tied to real reforestation.

- Assembled the founding team and led marketing, communications and community from launch through sale.
- Grew the community from **0 to 5,000 in one month**; the collection sold out in **under 10 minutes, raising US$400K+**.
- Supported the planting of 20,000+ trees in the Amazon; partnered with multiple other NFT collections.
- Invited to The Mews Monaco, where Prince Albert II of Monaco, the event's sponsor, received one of our NFTs.

Co-Founder & Marketing Director · True Passion 2016 – 2021

Content and live-music brand across Rome and London: video production, live events, clothing and digital content.

- Led a production team of 10 across shoots and live shows; grew Instagram from **0 to 10,000** and monetized a YouTube channel.
- Built partnerships with Havana Club, Vice/Noisey, Soundreef and Universal; managed budgets, campaign testing and event permits.

06 EARLIER

Content Creator & Social Media Manager · Freelance 2019 – 2022

Content and social channels for Dolce & Gabbana, Martini, Nobu, Puente Romano, Vice, KondZilla and Celicioso; grew YouTube channels to **100K+ subscribers in under six months**.

Community Manager, Web3 · Sweed Dreams, Barcelona 2022 – 2023

Social Media Manager · Euro Weekly News 2022

Intern · International Trade Centre, Geneva 2018
